| <b>Background:</b>            | <p><b>GIZ. Solutions that work.</b></p> <p>As a service provider in the field of international cooperation for sustainable development and international education work, we are dedicated to shaping a future worth living around the world. GIZ has over 50 years of experience in a wide variety of areas, including economic development and employment promotion, energy and the environment, and peace and security. The diverse expertise of our federal enterprise is in demand around the globe – from the German Government, European Union institutions, the United Nations, the private sector and governments of other countries. We work with businesses, civil society actors and research institutions, fostering successful interaction between development policy and other policy fields and areas of activity. Our main commissioning party is the German Federal Ministry for Economic Cooperation and Development (BMZ). The registered offices of GIZ are in Bonn and Eschborn. Our approximately 23,500 employees, almost 70 percent of whom are national personnel, work in a round 120 countries (July 2020)</p> <p>GIZ has worked in Nigeria since 1974. Since 2004, GIZ has maintained a country office in the capital city Abuja. Currently, 464 national and regional employees, 66 international employees, 6 integrated experts, and 3 development advisors are working in the country (June 2022).</p> |
| <b>Programme:</b>             | <p>Jointly funded by the European Union and the German Government, GIZ is implementing the “Organised Crime: West African Response to Trafficking” (OCWAR-T) programme to support the Commission of the Economic Community of West African States (ECOWAS) and ECOWAS Member States and Mauritania in reducing Transnational Organised Crime (TOC) in the region. For this purpose, the project is strengthening structures, capacities and is improving knowledge. Specifically, the project supports efforts in enhancing criminal investigation and prosecution, improving small arms control and reducing human trafficking. GIZ jointly implements OCWAR-T with the United Nations Development Program (UNDP), United Nations Office on</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
